Are You Doing Great Things with Technology? Share with us in the CyberCafe! (Friday only)

We know there are great projects and ideas happening that might not be a full SLMS session. So we are turning the CyberCafe into a learning and sharing space.

Bring a posterboard or tri-fold showcasing a cool idea or project you are doing to the CyberCafe on Friday. They will be up all day for people to browse. If you have some downtime, stop in to talk with others about what you are doing. We want this to be an informal learning and sharing space! Individuals bringing materials to share will receive a special certificate of participation.

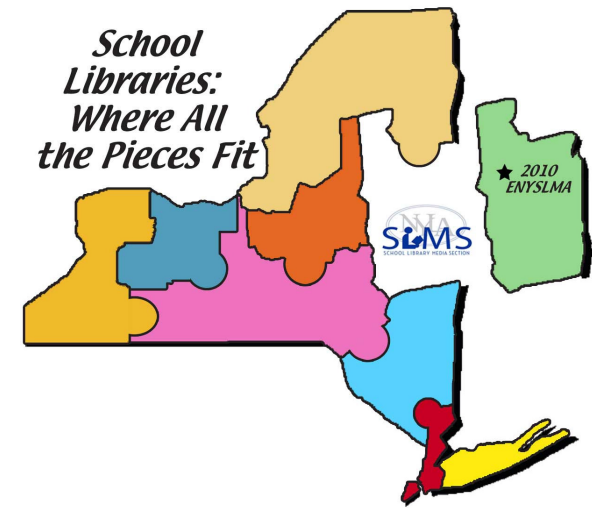

Traveling to attend SLMS?

Easy access via plane, train or bus. No car needed from NYC.

**SLMS 2010
Sponsored by ENYSLMA
an affiliate of SLMS/NYLA**
